Re: Cruiser Purchase

TA MacIver,

Per our discussion, I am forwarding information relative to the Barrington Police Department's 2022 cruiser purchase. As we are all aware, the cost of vehicles in general has spiked in recent months while the availability has plummeted. At this time, I am requesting to utilize funds to order the 2022 cruiser early in order to secure it.

During the April 12, 2021, BOS meeting I requested, and was approved, to purchase a cruiser to keep us in line with our replacement schedule. At that time, Chairperson Knapp stated that he would be in support of utilizing funds from the general fund, as the Town received \$11,500 in unanticipated funds from the sale of two pieces of equipment. Thus, a Motion to authorize the use of \$10,000 from the General (Incident) Fund through sale of police cruisers was made by Chairperson Knapp, was seconded by Selectperson Bailey, and passed a roll call vote.

I have sourced a cruiser package which would meet our needs by speaking to supervisors in other Agencies. I have attached an estimate provided by McGovern Municipal HQ, as well as a quote from our "normal" source, Irwin Automotive Group. You will note that the price provided by McGovern is slightly less expensive. More importantly, McGovern has that cruiser "available" (it is currently on order and was shipping) while Irwin noted that they were currently unable to get the cruiser quoted.

I am respectfully requesting that the Board approve the utilization of funds to order the listed cruiser from McGovern.

Respectfully Submitted,

Chief George Joy
